## ENABLEMENT

### DELIVERING PROJECT RESULTS WORKSHOP

#### Program Overview

This results-oriented, 6-hour workshop enables project managers to integrate change management into active projects, a practice that is key in delivering enhanced results.

Project leaders will leave with an understanding of the importance of change management in meeting project objectives and with a common language for change. This program is available in both in-person and virtual instructor-led formats.

---

#### Who Is This Course For?

- Project managers
